

**Grant County Health Department  
Seasonal Flu Vaccine Information  
(Updated 11/18/09)**

**NO SEASONAL INFLUENZA IS AVAILABLE AT THIS TIME  
FOR CHILDREN AND ADULTS.**

**Target Group for Seasonal Flu:**

- Children aged 6 months through 18 years of age
- Pregnant women
- People 50 years of age and older
- People of any age with certain chronic medical conditions
- People who live in nursing homes and other long-term care facilities
- People who live with or care for those at high risk for complications from flu, including:
  - Health care workers
  - Household contacts of persons at high risk for complications from the flu
  - Household contacts and out of home caregivers of children less than 6 months of age (these children are too young to be vaccinated)

Children under 9 years old receiving seasonal flu vaccine for the first time and those not completing a series in previous year should receive a booster shot one month or more after the first shot to be protected.

**See county website ([www.co.grant.wi.gov](http://www.co.grant.wi.gov)) to see Vaccine Information Sheet (VIS) or call for further information.**

**Location:**

Grant County Health Department, 111 South Jefferson Street (2<sup>nd</sup> Floor), Lancaster, WI

Adult seasonal influenza vaccine shipment is not expected this week.

**All influenza vaccine is while supplies last.** Call (608) 723-6416 with questions or if clarification is needed.
